CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief.

On or about the date of 04/05/2009 in the county of El Paso in the Western District of
Texas, the defendant violated 8 U. S. C. § 1326
, an offense described as follows:

An alien who had been excluded, deported and removed from the United States and who had not received consent to reapply for admission from the Attorney General of the United States or the Secretary of Homeland Security, the successor, pursuant to Title 6, United States Code, Sections 202(3), 202(4), and 557, was found in the United States.

This criminal complaint is based on these facts:

On April 05, 2009, the Defendant Pedro Paulo ARREDONDO-Valenzuela was encountered at the El Paso County Jail by Agent Hector Marquez. Agent Marquez identified himself as an Immigration Enforcement Agent and questioned the Defendant as to his citizenship and immigration status. The Defendant readily admitted that he was a citizen and national of Mexico without any immigration documents allowing him to be or remain in the United States lawfully.
